

*Dear Customers and Partners,*

We would like to inform you that after many years Povilas Dirgelas has resigned from the position of Vilnius Branch Manager and therefore is no longer part of our company; many thanks to him for the work done.

The leadership of the Boxline UCL Vilnius office is assumed by Darius Ramanekas for the Commercial side and by Svetlana Melechina for the Execution Side .

Darius and Svetlana are working in Boxline UCL Vilnius since several years and we are sure that their abilities and motivations will allow Boxline UCL Baltics to continue its growth and to achieve further goals.

Best Regards / Sandro Milani
